## COMPANY OVERVIEW

T&N Xpress is headquartered in Jacksonville, FL and has been providing trucking, logistics and other services to its customers since opening in 2013. With over 15 years of experience, we have exceeded the expectations of our clients all over the U.S. and abroad.

T&N Xpress is a premier Subcontractor. We specialize in demolition, flat work and bond beams. We also can provide all masonry work from block, brick and stone in addition to labor by the hour.

Our mission at T&N Xpress is to complete each project in accordance with safety standards and quality assurance, while adhering to the project timeline and budget.

## PAST PERFORMANCES

- BK MASONRY
